Special Collection Next weekend our parish will be holding the annual **Catholic Mission Church Appeal**. This year we are invited to help to heal a nation through education in Myanmar. Led by Cardinal Charles Maung Bo, the Church is developing an alternative system of quality education, with comprehensive teacher training programs and the establishment of new schools, especially in remote areas. It has been called an "education revolution", and the potential impact is far-reaching. Please come prepared next weekend and give generously to this important work. Envelopes available at exits.

Plenary Council Prayer

*Come, Holy Spirit of Pentecost.
Come, Holy Spirit of the great South Land.
O God, bless and unite all
your people in Australia
and guide us on the pilgrim way of the
Plenary Council.
Give us the grace to see your face
in one another
and to recognise Jesus,
our companion on the road.
Give us the courage to tell our stories
and to speak boldly of your truth.
Give us ears to listen humbly to each other
and a discerning heart to hear
what you are saying.
Lead your Church into a hope-filled future,
that we may live the joy of the Gospel.
Through Jesus Christ our Lord,
bread for the journey from age to age.
Amen.
Our Lady Help of Christians, pray for us.
St Mary MacKillop, pray for us.*

A screening of the uplifting film **The Staging Post** will be held in Ashburton on Sunday 12 August. The documentary follows two Afghan Hazara refugees, Muzafar and Khadim. Stuck in Indonesia after Australia 'stopped the boats', and facing many years in limbo, they built a community and started a school which inspired a refugee revolution. The film is engaging and full of hope. People of all ages will enjoy it but it provides a wonderful opportunity for parents to take Year 5 to 12 students and talk about the issues facing refugees.

Where: St Michael's Catholic Church, High Street, Ashburton
When: 2.00pm on Sunday 12 August
Donations invited for Cisarua Learning (schools in film).

Living the Gospel – Plenty for all

The feeding of the multitude is a profoundly political statement. Quite simply, there is sufficient food in our world to ensure that no one should ever be hungry. Sadly, the distribution of that food is such that there are some in our world whose bellies are expanding from an excess of food while others' are distended from the lack of it. We can easily feed the entire world. It is the responsibility of those of us in the developed world with more than we need to bring about a more equitable distribution with those who don't even have enough to live.
