Heads up for a minute!

Do you have any gently used Children's Books or Educational Toys that could be Recycled and Loved by others?

Why not donate them to the Fids Book and Toy Stall and give the gift of learning?

Your books and toys will find a new Family and be enjoyed all over again!

Simply bring in your books and toys and give them to your class teacher, or leave at the Parish Office!

A big thank you, from the Fete Committee 2017
