Mark 1:40-45

**Jesus cures a person with leprosy, who
reports his cure to everyone.**

Today's Gospel invites us to think about the choices we make as individuals and as a family. Jesus was faced with a choice in today's Gospel. By choosing to heal the man with leprosy, Jesus showed God's compassion for the sick and the outcast. The man knew that Jesus had a choice and that Jesus could reject his request. He may have expected that Jesus would not help him. The social taboos regarding leprosy certainly gave him little on which to base his hope. In the person of the man with leprosy, we see an image of all those in need. The sick and the outcast of our world are watching us, to see if we as Christians will choose to extend ourselves to others in need of healing and compassion.

In choosing to heal the man with leprosy, Jesus chose to show God's compassion and mercy. All our choices reflect our faith, and others are watching.
