Friends!

I was overwhelmed by the support, gratitude and good wishes you offered to me over the last few weeks. These meant a lot to me.

I will mention a few people who were involved over my last weekend, but my overwhelming feeling at the time and since then was that the weekend of June 1 / 2 was a great celebration of parish community. To all who contributed in any way (even just by “being there”), I hope you felt the same sense of “togetherness” as I did.

That feeling was there at all Masses over the weekend but happened in a special way at 10a.m. on Sunday morning. Thanks to all our Liturgical Ministers over the whole weekend. Your Reading, Collecting and Ministering of Holy Communion is a special service that you offer to the whole community. We take nothing for granted.

I chose the story of the Prodigal Son deliberately. I am grateful for my life and am very aware that God has been very gracious to me. But I also know that there are (too many ?) times when I have failed to respond to my God as I ought to have done, Lys’ words about the “Prodigal Father” were a powerful reminder to me that in spite of my sinfulness, my God continues to forgive.

Thank God !!

Thank you to Ange Virgona and Pat McConvill for the lovely words on Sunday morning and to all who contributed to the Gifts – Travel Vouchers and a brand new “Smart” TV.

The TV is a “Smart” one but I am not ! Fortunately Irene Owsianka and Alan Ryan have generously given time to me since then to properly connect my E-mail, Computer and TV so that I can actually use and understand them. Thanks to both of you!!

Unsurprisingly, a big part of my head (and my soul) is still at St Thomas More. I’m pleased that the Vicar General met with the Parish Pastoral Leadership Team last weekend. I’m sure that Mons. Greg will have the best interests of the community at heart when decisions about leadership at STM are made.

Thank you again and let us pray for one another. *F. Lamine*

Trinity Sunday proclaims our belief in One God who acts through Jesus and draws us beyond ourselves in the Spirit. It’s not a matter of three Gods. It’s a matter of One burst of the Divine in every dimension of life – creating it, redeeming it, and making it holy.

A Pastoral Letter from the Bishops of Victoria re Voluntary Assisted Dying

Copies of this letter are available in the Church foyer - a response to the *Voluntary Assisted Dying Act* which comes into effect on 19th June 2019.

from the Parish Social Justice Group Refugee Week - 16th-23rd June

Catholic Alliance for People Seeking Asylum (CAPSA) writes: "This week is an opportunity for the Catholic community to join together around the country to pray and be involved in coordinated direct action asking for a fair process for people seeking asylum, and for compassion and respect for the dignity of each person to be front and centre of Australian attitudes, policy and processes.

Compassion for the stranger who has fallen on hard times is at the heart of Jesus' life and message. Pope Francis has made care for people seeking asylum central for the Catholic community. He has visited camps, begged for refugees to be given a home and prayed at places where they have suffered. We hope to shape a Catholic community united in this kind of compassion."

MISSION**

Reach out. Give life.

This weekend as a leaving collection, our parish will be holding the annual Catholic

Mission Church Appeal. This year we are invited to partner with the Church in Ghana, as they provide ongoing protection and development of children who are vulnerable. In line with traditional beliefs, in parts of Ghana, children born with a disability, or whose mother passes during childbirth, are considered to be 'spirit children', and thus at risk of being harmed or killed. The Church in Ghana is dedicated to protecting these children and educating families to ensure every child has a chance to live a full life. You will be offered the opportunity to personally partner with the Church in Ghana as a monthly giving partner, with all gifts specifically directed to life-saving projects for children in need - please come prepared to give generously.

St Thomas More School— Promoting Sustainability

As part of the school's sustainability unit, we are taking part in a whole school recycling project. We are collecting plastic bottle lids, e.g. milk bottle tops. We will forward what we collect onto Envision, a local charity that is collecting bottle top lids to make prosthetic arms for underprivileged children in India. It takes 800 bottle top lids to make one arm, so Envision have set a challenge of collecting one million bottle tops by the end of the year. Please spread the word to family and friends, all bottle top lids are welcome! Bottle tops can be left at the Parish or school offices.
