## ST PETER'S PARISH PRIMARY SCHOOL

### ST PETER'S SCHOOL REVIEW OUTCOME

I hope you will join with me in feeling very proud of our school as we performed in the **HIGH to OUTSTANDING** range for all the nine domains used for the independent school review process. St Peter's is a very good school with a dynamic and engaged leadership and teaching team who work very hard to improve student learning outcomes. I know the staff felt a sense of pride when the report was shared with them. The following are the commendations taken from the review report.

St Peter's School is to be commended for: -

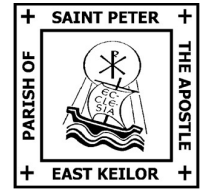

- *The narrow and sharp school improvement agenda.*
- *The positive attitude and commitment to innovation and change displayed by staff.*
- *The school focus on wellbeing and social and emotional learning and the range of programs provided.*
- *The strong sense of pride and belonging to the school expressed by parents, teachers and students.*
- *The confidence in the principal and other school leaders expressed by parents, teachers and students.*
- *The very strong collegial and collaborative culture.*
- *The high staff morale.*
- *The strong sense of optimism displayed by teachers and other staff.*
- *The high priority given to recruiting, retaining and developing the best possible staff mix to support the learning and wellbeing needs of students.*
- *The culture of staff performance and development.*
- *The impact of the partnership with the Melbourne University Network of Schools.*
- *The 'Learning and Teaching Practices at St Peter's Primary School' document and its impact upon teaching practices.*
- *The consistency of practice evident in literacy and numeracy lessons across the whole school.*

We wish all parishioners a safe and peace-filled Christmas, and all best wishes for 2020! We also thank you for your ongoing support.

Kind regards,

Linda Tarraran (Principal)
