

An Evening with Pope Francis

Thirty-five St Vincent de Paul parishioners attended our Faith Development Program's inaugural event, 'Encounter with Pope Francis', in the Parish Centre on Wednesday, 18 March.

The guest speaker, Frank Cumbo is Faith, Mission & Liturgy Coordinator at St Monica's College in Epping and Frank delivered an engaging, informative and

well-received presentation on Pope Francis. Frank touched on many issues of faith, response to the Gospel, Church governance, and tackling of difficult social questions by Pope Francis since his election to the Papacy.

All present enjoyed the conviviality of the evening and agreed that the Faith Development Program has started well.

Further events will be offered to parishioners throughout the year.

Please enjoy the photographs taken by Father Peter on the evening.
