INTRODUCTION

In today's Gospel Jesus speaks in Parables about what the Kingdom of God is like. It takes many years for a tree to grow to its full height. Like a growing tree, the Church is constantly growing towards fuller maturity, nourished in its growth by the Eucharist and the Word of God, bearing fruit and giving comfort, but always open to further growth. At the present time the Kingdom is taking hold and quietly growing in the 'soil' of our receptive human hearts.
