INTRODUCTION

In the teaching of Jesus, and in the teaching of the Church today, we are all invited to the banquet of eternal life. We have no automatic right of entry to the Kingdom of God. Those who might consider themselves 'insiders' and so be complacent about their inclusion had better take note. Too late, they may wake up to find themselves excluded, while they see many included whom they would have considered outsiders. People cannot just 'coast' into salvation; an effort is required.
