INTRODUCTION

‘GOD LOVED THE WORLD SO MUCH’

During the season of Lent we humbly acknowledge the ways in which we have failed to respond to our Christian vocation. We do this before a God who is infinitely rich in mercy and grace, who sent the Son into the world not to condemn it but to be its Saviour. Acknowledging our failings and accepting healing and forgiveness from Christ prepares us to celebrate the feast of Easter with great joy.

NEWS FROM CATHOLIC REGIONAL COLLEGE MELTON

The continued population growth in the western suburbs has placed consistent pressure on enrolments at Catholic Regional College Melton. To cater for the increasing number of families seeking a Catholic education for their children, land for a new educational facility has been purchased in nearby Cobblebank. The new campus will welcome approximately 150 Year 7 students in 2023 and grow to accommodate 1500 Year 7 to 12 students by 2028.

So after 42 years as part of the Federation of Catholic Regional Colleges, the Melton campus will become a separate entity and be a 7-12 college on 2 sites- West Melton and Cobblebank.

As a result of this upcoming change a process of consultation regarding an appropriate name for what is currently Catholic Regional College-Melton will begin shortly. Members of the college community, parents and students, staff and parish priests will be invited to help formulate a shortlist of names for the college to be submitted to Archbishop Comensoli to choose from.

Guiding criteria for names worthy of consideration:

1. That there is not a school already by that name in the college's wider geographical area.
2. Name of Saint or title (Pope, Sacred Heart, etc) that would readily generate a charism linked to college's history and be relevant in future years.
3. A name that takes into account the input from members of the community.
4. A process cognisant of Federation of Catholic Regional Colleges policy for naming of buildings, awards etc
5. A name worthy of support by His Grace, Archbishop Comensoli.

To begin the process I invite input from parents via the Parents and Friends Association meeting on March 24 or to me directly via email (scoates@crcmelton.com.au). At this meeting the group will seek to nominate two parents to join the CRC Melton Naming Steering Committee which will look at all suggested names at two meetings in July/August and formulate recommendations to the Principal Mrs Jorgensen and her Leadership Team.
