## INTRODUCTION

**O LORD, OUR GOD!** The mystery of the Blessed Trinity is too deep for us now. But gradually the Holy Spirit leads us to the fullness of the truth about God. Day by day we grow in our sense of wonder that this God, who created the heavens and the earth, cares for us in an intimate, personal way. All we can do is cry out 'Glory' to the one God, the Father, the Son and the Holy Spirit.

## THE MOST HOLY TRINITY

*Today we celebrate the Solemnity of the Holy Trinity, which leads us to contemplate and worship the divine life of the Father, the Son and the Holy Spirit: a life of communion and perfect love, origin and aim of all the universe and of every creature: God. We also recognize in the Trinity the model for the Church, in which we are called to love each other as Jesus loved us. And love is the concrete sign that demonstrates faith in God the Father, Son and Holy Spirit. And love is the badge of the Christian, as Jesus told us: "By this all men will know that you are my disciples, if you have love for one another" (Jn 13:35). It's a contradiction to think of Christians who hate. It's a contradiction. And the devil always seeks this: to make us hate, because he's always a troublemaker; he doesn't know love; God is love!*

*We are all called to witness and proclaim the message that "God is love", that God isn't far and insensitive to our human affairs. He is close to us, always beside us, walking with us to share our joys and our sorrows, our hopes and our struggles. He loves us very much and for that reason he became man, he came into the world not to condemn it, but so the world would be saved through Jesus (cf. Jn 3:16-17). And this is the love of God in Jesus, this love that is so difficult to understand but that we feel when we draw close to Jesus. And he always forgives us, he always awaits us, he loves us so much. And we feel the love of Jesus and the love of God.*

— POPE FRANCIS
