Dear Parishioners,

During this week the second general assembly of the Plenary Council was held in Sydney. The process began in 2019. There have been several stages since then, but the key questions we were presented with are,

- What is the Spirit saying to the Church today?
- How do we become a more Christ centred Church?

These questions have been the driving force of the Council. It is interesting to note how the same questions provoked such different responses. Responses that were many and varied. One important factor to note is that everyone was heard and listened to intently. Bearing in mind people had opposite points of view we trust in the guidance of the Holy Spirit to lead the Church along the authentic tradition of our faith.

Yours in Christ,

Fr. Anthony Girolami
