The Sisters of St Elisabeth Convent are delighted to invite you to see and purchase handmade religious articles made by the Sisters of St. Elisabeth Convent (Belarus). The exposition will take place on the 24th & 25th September after the Masses.

Sisterhood of St. Elisabeth was founded in 1996. Our missionary began in National mental hospital located not far from the Convent. Sisters take care of mentally challenged children and adults. Life of the child with diagnoses such as Down syndrome, birth traumas or congenital physical defects may be quite short and it is painful to see them suffering. Also the adult patients need constant support owing to the fact that their illnesses make it impossible for them to adapt socially. In the recent years a shelter and house of Labor for former drug and alcohol addicted people was organized 20 miles away from the Convent. A lot of homeless, struggling and lost people get a chance for new start in life to find the God.

In order to help these people some workshops were organized on the premises of the Convent where vulnerable people have a possibility to express themselves in art for God working together with nuns and sisters and making icons (including hand painted), crosses, crucifixes, wood carvings, embroidered and ceramic gifts, rosaries and vestments. All these goods made with love and prayer bring blessings to their owners.
