Below is the petition we are presenting to our local MP. Please read this and sign the petition after Mass.

We, the members of the St Francis of Assisi, Mill Park parish wish to raise with you our concerns regarding assisted suicide and euthanasia.

We understand that assisted suicide and euthanasia will be the subject of legislation later this year and we want to express, in the strongest terms ssible, our reservations and concerns.

e do not believe that euthanasia or assisted suicide are appropriate ways of dressing the needs of people in our community at the end of life. Our laws ve always held that killing a person or helping them to suicide are not ceptable.

e also believe that to do so would create significant risk of harm to vulnerable embers of our community and we do not see any need to change these laws. stead, we ask you and all elected representatives in Victoria to focus more on suring that every Victorian has access to the best of care at the end of life. No ctorian should suffer at the end of life. We have the ability to achieve this and e think it incumbent on society to ensure that every person has equal and

aranteed access to the best of care when they need it.

e urge you not to support any euthanasia or assisted suicide bill.
