ENSURING THE SAFETY AND WELLBEING OF CHILDREN IN OUR CARE

Commitment Statement to Child Safety

We are committed to a safe and nurturing culture for all children and young people in our Church!

The Catholic Archdiocese of Melbourne holds the care, safety and wellbeing of children and young people as central and fundamental responsibilities of the Church. This commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the Gospel.

We want our children to be safe, happy and empowered.

The Catholic Archdiocese of Melbourne has a universal expectation for the protection of children. It is resolutely committed to ensuring that all those engaged in the Church promote the inherent dignity of children and young people and their fundamental right to be respected and nurtured in a safe environment. This is particularly so for the most vulnerable children, including Aboriginal children, those from culturally and/or linguistically diverse backgrounds and children with a disability.

The Catholic Church has a moral, legal and mission-driven responsibility to create nurturing environments where children and young people are respected, their voices are heard and where they are safe and feel safe.

We have zero tolerance of child abuse and all allegations and safety concerns will be treated seriously and reported in line with our legal obligations, our moral obligations and our Church policies.²

Creating child-safe environments is a dynamic process that involves active participation and responsibility by parishes, schools, families and communities. It is marked by collaboration, vigilance and proactive approaches across policies, procedures and practices.

We are committed to preventing child abuse and identifying risks early and then reducing or removing them. If you see something of concern, please let us know.

Every person involved in the Catholic Church has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Loving God, through St Vincent de Paul, we seek your guidance and constant protection, for our parish community.

Gathered together as your people, we come as we are, to live out the Gospel message, in a faithfilled, welcoming and caring community.

Grant us your help in our weakness, that we may proclaim to all, your abundant goodness.

We praise and thank you for your gifts given freely, to share with one another.

May we never lose faith in you and always strive to live, in a spirit of strength and gentleness.

Old-fashioned, Spiritual Christmas?

John R. Brokhoff, *Preaching the Parables—Cycle C.* p. 28.

"What has happened to the old-fashioned, spiritual Christmas? The cause is our disregard of Advent. The church set aside this four-week pre-Christmas season as a time of spiritual preparation for Christ's coming. It is a time of quiet anticipation. If Christ is going to come again into our hearts, there must be repentance. Without repentance, our hearts will be so full of worldly things that there will be 'no room in the inn' for Christ to be born again.... We have the joy not of celebration. Which is the joy of Christmas, but the joy of anticipation."

Memory Awakens Hope

Joseph Cardinal Ratzinger, (Pope Benedict) *Seek That Which Is Above*, 1986

"Advent is concerned with that very connection between memory and hope which is so necessary to man. Advent's intention is to awaken the most profound and basic emotional memory within us, namely, the memory of the God who became a child. This is a healing memory; it brings hope. The purpose of the Church's year is continually to rehearse her great history of memories, to awaken the heart's memory so that it can discern the star of hope...."

It is the beautiful task of Advent to awaken in all of us memories of goodness and thus to open doors of hope."
