

RESPONDING TO A NEW FEDERAL BILL ON SAME-SEX MARRIAGE

The Life Marriage and Family Office at the Melbourne Archdiocese has prepared a fact sheet for those wishing to respond to the new bill on same-sex marriage. The Recognition of Foreign Marriages Bill 2014 was recently tabled in the Federal Senate. The Bill is a backdoor attempt to change the definition of marriage. It would create an inconsistency in Australian law by recognising same-sex marriages contracted in a foreign country. This inconsistency would then be exploited to create further pressure to redefine marriage here.

The Life, Marriage and Family Office encourages people to make a private submission supporting Australia's current legal framework for marriage. Submissions close Thursday 31 July.

St. Vincent de Paul Parish Prayer

Loving God, through St Vincent de Paul, we seek your guidance and constant protection, for our parish community.

Gathered together as your people, we come as we are, to live out the Gospel message, in a faithfilled, welcoming and caring community.

Grant us your help in our weakness, that we may proclaim to all, your abundant goodness.

We praise and thank you for your gifts given freely, to share with one another.

May we never lose faith in you and always strive to live, in a spirit of strength and gentleness.

On our journey, may we be an example of your love, to those we meet.

Loving God,
Father, Son and Holy Spirit,
may you always watch over us in all we do.

Amen

Growing our Faith

The parable Jesus shares about the wheat growing in the fields challenged by the weeds, draws us to reflect upon our own faith journey.

This weekend we are invited to reflect upon ways we may explore our understanding of our faith. You are asked to express areas of interest for faith development.

Jesus reminds us that faith is like the yeast in bread and the small seed that grows to maturity. While the yeast rises and the tree grows, life continues on. Both the yeast and the seed sustain and make wholesome the final result, the bread and the tree. It is the same with us. We are surrounded by distractions as we see in the parable of the wheat and weeds. It is our faith that continues to sustain and support us through our life journey. Faith is seen as the yeast of life and we the tree that offers support, shelter and love.

May we take some time to reflect and seek ways that we may continue to grow. What is the 'yeast' that you are looking for to sustain and support? This survey is offered as a way to support each of us "Growing Our Faith".
