

St Paul's Parish - Sunshine West

Welcome to week three of our Parish Stewardship Program.

This week celebrates the role of our parish as a community of faith – as an authentic community where people are welcomed, known and loved.

It is a place of care, support and outreach – with a clear mission to live the values of the Gospel.

This means that we all have a responsibility to use our gifts and talents for the benefit of others – making our time available to be involved in one of our many groups and ministries. We all have a contribution to make – so have a look at the "Groups & Ministries" list to see what best suits you.

At Masses this weekend we will hear from members of the Parish Leadership team who will talk about the impact our faith and our parish has made in their lives and how important it is for us all to make our contributions to parish life.

Thoughts from our Leadership Team

Why is it important to be involved in Parish Groups and Ministries?

"To be able to give and provide the knowledge and skills we have, to help the parish"

"To be a witness for my faith and to thank God for His love for me"

"To help the community"

"To broaden and provide depth to our faith"

"To share love and be more compassionate"

"It gives a sense of unity and loving for the community"

"To feel part of the parish community"

"To show our faith, so others may come and join"

"I am able to meet different people of different ethnic groups, to share a common goal"
