Dear Parishioners,

I am writing to you on the very important matter of the renovations to our church. I have been concerned with the possible renovations for some time and realise it is time to inform the community on the decisions made after meeting with the Parish Finance Committee and Parish Pastoral Council.

Our Lady's parish community is important because it allows our people to interact with each other, share experiences, develop valued relationships and work toward a common goal.

It has been many years since our church has had any major interior works carried out. As happens with our homes constant works are required to keep pace with wear and tear and the church is need of renovations and we hope with the support of all our parishioners we begin these works in 2023.

We have spoken with Archdiocesan property department, and they have given us contacts who can carry out the works to correct standards and in line with Archdiocesan policies.

The major works that we are undertaking will be replacing the carpet and painting the foyer. Also replacing all the lights in the church with LED is another major work as it requires the pews being unnailed from the floor and moved. This will be done as the carpet is laid. We are hoping that we can move the pews to one side of the church, complete that section and then move them to the other side. We also hope to move the ducted heating floor registers so that the central aisle will be wider and coffins can be easily moved through the church.

We were intending to start at the earliest opportunity as discussed at last Sunday's masses. Thank you for all the people who took the time to email, call or message your opinions on the matter. After listening I realised that starting anything before Easter would be a rushed job and would not allow us to plan properly and so works will commence on Monday 17<sup>th</sup> April and probably take 6 weeks. Masses will move to the hall. I know you will work with me to ensure that all this work will be done smoothly, and they will be well worth the benefits we will receive at the end; a beautiful church ambience that all our parishioners can enjoy.

Please join me in bringing Our Lady's back to its splendid beginnings by contributing financially to our renovations program. All this work relies on your generosity.

You can contribute by Direct Debit to our Repair and Maintenance Account: BSB 083 347 Account 534233044 and please put your surname in reference line. OR

If you would like to contribute by cash/cheque, please put these in an envelope and put in the designated collection box in the foyer of the church: Renovations Fund 2023. OR

We will have two new Tap and Go machines in the foyer specifically for this that are standardised to \$10, \$20, \$50 or \$100 donations.

I take this opportunity to say thank you for all your love and support.

Together we can do this to make our community a happy vibrant place of God.

Take care. God bless.

Dispin John

## Fifth Sunday of Lent 25 & 26 March

Project Compassion brings together Australian schools, parishes and supporters to raise funds for people in vulnerable communities across the world. This year, we introduced you to the story of four inspiring people whose lives have been transformed with your generous support: Laxmi, Tereesa, Priscilla and Thu. Today, they are creating a better world for their families, their communities and for all future generations.

Project Compassion is a demonstration of the faith, empathy and generosity of our supporters. It is the lifeblood of Caritas Australia – without it, we could not do the vital work we do. Thank you for helping transform lives today and for all future generations.

Please donate to Project Compassion 2023.

Together, we can help vulnerable communities face their challenges today and build a better tomorrow For All Future Generations.

You can donate through Project Compassion donation boxes and envelopes available from your parish, by visiting [caritas.org.au/project-compassion](https://caritas.org.au/project-compassion), or by calling 1800 024 413

## Stewardship Corner

“Jesus said to her, ‘Did I not tell you that if you believe you will see the glory of God?’” JOHN 11:40

Many of us say that we believe in God. We attend Sunday Mass and participate in parish events. But when life gets hard and the pressure is on, when things aren't going our way, do we really believe? Do we really put our trust in the Lord? When we live a life of gratitude, recognizing all that we have been given, we really do see that God is providing for our needs. Living a grateful and generous life allows us to see God's active presence in our daily lives and we become “partakers of the divine nature.”

## Supporting the Parish

Through the Stewardship Program, parishioners are asked to pledge a weekly/monthly amount to the upkeep of the parish. This allows the parish to pay utility bills, insurance premiums, Archdiocese levies, purchase church supplies and pay staff wages. This amount is given as the “Thanksgiving Offering” and placed in the appropriate envelope or given as a direct debit. The ‘Presbytery Offering’ along with any loose cash contributes to the support of the Parish Priest. A percentage of the Presbytery collection is also required to be sent quarterly to the Archdiocese. Become part of the Stewardship Program, please contact the office for further information on how this can be done or click the link below to take you to CDFPAY and choose how you wish to support the parish.
