### Points of interest and Catholic lore

- This event is traditionally known as 'the transfiguration'. Although the place is not mentioned in the gospels, this event has, since the fourth century, been associated with Mount Tabor in Galilee.
- The white robes and changed appearance of Jesus represent his glory and divinity, revealed here to the disciples.
- Moses and Elijah are two of the greatest heroes of Israel. They represent the law and the prophets—two of the most important sections of the Hebrew Bible. Like Jesus, both of them suffered rejection during their lives.

### Making connections- Opportunities for personal prayer

- 'Master, it is wonderful for us to be here.' Reflect on what these words mean for you as you approach the sacraments.
- 'Listen to him.' What might Jesus be saying to you at this time?
- This gospel relates the experience of a personal encounter with the divine. Recall an experience you have had of encountering God or an intuition of God touching your life. Share your reflections.
- Spend extra time this week listening to the 'beloved Son'. What is Jesus saying to you?
- Use today's collect as your prayer this week: O God, who have commanded us to listen to your beloved Son, be pleased, we pray, to nourish us inwardly with your word, that, with spiritual sight made pure, we may rejoice to behold your glory.

### Symbols and images

The cloud symbolises the presence of God. It reveals the divine presence but also conceals it, thus protecting the witnesses from the full power of God's glory. Moses encountered the same phenomenon (Exodus 24:15). Another favourite symbol for the presence of God in the Hebrew Scriptures is flame or smoke—for example, in the burning bush (Exodus 3) or on Mount Sinai (Exodus 19).

### Something to make you smile

With St. Patrick's day coming up, here is a wee story for all Irish Parishioners and/or descendants ... shared by a fellow parishioner.

Jesus to God: "Where have you been these past two years?"

God: "In Ireland"

Jesus with a shocked look said, "With a pandemic raging these past two years and you have been in Ireland. What were you doing there?"

God, leaned over and whispered - "Working from home son Working from home..."

### Project Compassion

Biru 30, lives in a rural village in Jharkand State in India's east. He lost mobility in one of his legs, after contracting polio as a child, which makes it difficult for him to walk. With your generous support, Biru was able to access an entrepreneurship and livelihoods development program, run by Caritas Australia's partner, Caritas India. He gained the skills, support and encouragement he needed to establish his own bicycle repair business.

Now, Biru is able to provide a good life for his family – and an essential service to his community. He has discovered a sense of pride, confidence and hope which has inspired others living with a disability and paved the way For All Future Generations.

Please donate to Project Compassion 2022 and help people living with disabilities in India gain access to education and clean water, empowering them with skills to build a better future for all.

Together, we can help vulnerable communities face their challenges today and build a better tomorrow **For All Future Generations**.

You can donate through Project Compassion donation boxes and envelopes available from your Parish, by visiting [lent.caritas.org.au](http://lent.caritas.org.au), or by calling 1800 024 413.

### Stewardship Corner

"I am the Lord who brought you from Ur of the Chaldeans to give you this land as a possession." (GENESIS 15:7)

Just as the Lord gave Abraham, Moses and the Israelites a land to possess, He has also given each of us a home. Whether your home is grand or humble, it is a gift from God. Abraham prepared a great sacrifice to the Lord in gratitude for the home God gave him. How do you show your gratitude to God for the home He has given you? Do you make a sacrifice of any kind? Do you return any of your finances to God, investing equally in your eternal home just as you invest in your earthly home?

### Supporting the Parish

Through the Stewardship Program, parishioners are asked to pledge a weekly/monthly amount to the upkeep of the parish. This allows the parish to pay utility bills, insurance premiums, Archdiocese levies, purchase church supplies and pay staff wages. This amount is given as the "Thanksgiving Offering" and placed in the appropriate envelope or given as a direct debit.

The 'Presbytery Offering' along with any loose cash contributes to the support of the Parish Priest. A percentage of the Presbytery collection is also required to be sent quarterly to the Archdiocese.

To become part of the Stewardship Program, please contact the office for further information on how this can be done or click the link below to take you to CDFPAY and choose how you wish to support the parish.

### Parish Safeguarding Committee.

The purpose of the Parish Safeguarding Committee is to assist the parish priest with the implementation of the parish safeguarding policy. This week the Committee held its regular monthly meeting and reviewed two of the ten child safety standards.

#### Standard 3: "Partnering with Families, Carers and Communities."

We assessed to what extent the parish of OLPH informs and involves families, carers and communities in promoting child safeguarding and what more we have to do as a parish to do this better.

#### Standard 7: "Ongoing Education and Training."

We assessed how well parish staff and volunteers are equipped with knowledge, skills and awareness to keep children safe through information, ongoing education and training. One result of the review is to put in place a module of induction training for new volunteers.

If anyone would like more information about child safety please see Fr Dispin, Deacon Phil or one of the committee.
