

THE CATHOLIC PARISH IN THE DANDENONG RANGES

Our Parish Vision Statement:

We are called to be a welcoming, compassionate community, empowered for our faith journey for active Service.

Our Parish Mission Statement:

The purpose of the Parish is to walk together as disciples of Christ to foster an active spirit that:

- *Welcomes and includes all.*
- *Empowers individuals and groups to be active in building up God's Kingdom.*
- *Celebrates the Good News.*
- *Fosters understanding by nurturing strong unifying links between our five Parish communities.*
- *Promotes Justice.*
- *Reaches out beyond our Church community to the wider community in which we live.*

[A previous Parish Council drafted and accepted the above; our present Parish Council works under the same precepts, representing us all in working for the good of our faith community.]
