## WEEKLY BULLETIN: SUNDAY 19 AUGUST 2018 TWENTIETH SUNDAY IN ORDINARY TIME – YEAR B *THE YEAR OF YOUTH*

*This week's readings: Prov. 9:1-6; Eph 5:15-20; Gospel John 6:51-58*

**GOSPEL REFLECTION BY GREG SUNTER:** This gospel passage continues the 'Bread of Life' discourse that we have been following through the Gospel of John for a few weeks now. It overlaps with the reading from last week with Jesus announcing that his flesh is the 'bread of life'. Not surprisingly, the Jewish audience is horrified by the idea of eating human flesh. Jesus drives his point home further with his audience by also referring to the drinking of blood. In Jewish tradition, even to touch blood made a person ritually unclean. Any meat that was to be eaten had to be drained of blood, according to kosher rules. The words used by Jesus in this passage are so confronting that they cannot possibly be taken literally. It is a complete overstatement of the image to try to make sure that a literal interpretation is impossible.

When the gospel writer has Jesus speaking about eating his flesh and drinking his blood he is drawing on a very old image of eating and drinking as representing 'absorbing'; or 'comprehending'; or 'understanding' the message of the speaker. In this ancient understanding, to 'eat the flesh' of Jesus is to take into yourself and accept everything that Jesus stands for; everything that Jesus teaches; everything that Jesus believes. It is an act of faith. When we received Christ in the Eucharist, is this the depth of significance and purpose with which we take communion? Unmistakably, this passage points us to the Christian sacrament of Eucharist. The practice of sharing Eucharist as a memorial of Jesus was already well established in the Christian communities by the time this gospel was written and throughout this extended discourse on the 'Bread of Life' the author provides a direct link between the practice of Eucharist and the teachings of Jesus.

**Gospel Focus – Real Presence:** The Real Presence of Christ in the Eucharist is a central doctrine of the Catholic faith. It is regarded as a revealed truth proved by both scripture and tradition. This week's gospel, indeed the entire 'Bread of Life' discourse (Jn 6:26-72), is an essential passage of scripture that supports the teaching of Christ present in the Eucharist. Along with scripture, the other proof of the doctrine is tradition. Since the first century, only a brief time after the death of Jesus, Christians linked their celebration of Eucharist with the words of Jesus at the last supper – they celebrated Eucharist as a memorial of Jesus.

**Different View – Cannibalism?** One of the criticisms levelled against Catholicism since the days of the early Church – and continuing even today – is the claim that Catholics perform an act of cannibalism in the Eucharist! The critics seize on the 'body and blood of Christ' that are consumed in the Eucharist. Transubstantiation is a difficult concept for many people to comprehend (including many Catholics). Whilst the 'substance' of bread and wine – the essence of their bread-ness and wine-ness – are changed to the body and blood of Christ, the 'form' of the bread and wine remains the same.

**Living the Gospel – You are what you eat:** In a world that is obsessed with health and fitness and yet, ironically, also experiencing an ever-increasing overweight and obese population, what we eat has come under greater scrutiny than ever before. 'You are what you eat' has become a catchcry for healthy eating but Catholics have known the truth of this statement for centuries. When we participate in the Eucharist, we not only receive the body of Christ; we become the body of Christ. The people who make up the Church in the world are indeed the body of Christ. In the words of St Teresa, 'Christ has no body now but yours!'

### **UPDATING OUR PARISH CENSUS THIS WEEKEND AND NEXT AT EVERY SUNDAY MASS**

**Raise your voices ... Entrance antiphon:** Turn your eyes, O God, our shield; and look on the face of your anointed one; one day within your courts is better than a thousand elsewhere.

**Response to the Psalm:** Taste and see the goodness of the Lord.

**Gospel acclamation:** Alleluia, alleluia! All who eat my flesh and drink my blood live in me and I in them, says the Lord. Alleluia!

**Communion antiphon:** I am the living bread that came down from heaven, says the Lord. Whoever eats of this bread will live for ever.

## Prayer to Saint Luke the Evangelist

Lord God, who chose Saint Luke to reveal  
by his preaching and writings the mystery of  
your love for the poor, grant that those who  
already glory in your name may persevere  
as one heart and one soul and that all  
nations may merit to see your salvation.  
Through our Lord Jesus Christ, your Son,  
who lives and reigns with you in the unity  
of the Holy Spirit, one God,  
for ever and ever. Amen!

*Patron Saint of artists, physicians, surgeons,  
students and butchers.*

© The Story Source, 1993. [TeresaPirola.net](http://TeresaPirola.net): **BELLS AND SMELLS:** Why is the Catholic  
Church so full of 'things': bells, incense, candles, holy water...? Catholicism is a very 'earthy'  
religion. In God becoming human through the person of Jesus Christ, we are reminded that  
material realities are not to be scorned but embraced as part of our loving response to our  
Creator. While we know that no image or 'thing' can capture the presence of God who is  
Mystery beyond all comprehension, we also recognize that human persons need to express  
themselves in a human way. When we portray the mysteries of our faith through human  
realities we are not 'confining' God but simply making a statement about the truths we hold  
dear.

oe Brogno,

**WHY DO WE HOLD PALMS ON PALM SUNDAY?** On Palm Sunday, the Sunday leading into Holy Week, we commemorate the Lord's triumphant entry into Jerusalem. The Gospels that describe this event speak of large crowds laying palm branches on the road before Jesus and proclaiming him as king. Here is a man with charisma, with a stirring message! And yet, before the week is out, he has been betrayed into the hands of his enemies and crucified. Palm Sunday (also called Passion Sunday) highlights the paradox of Christ's kingship. Our palms represent his victory, but a victory that comes only through suffering and self-sacrifice. **WHY ASHES?** The ashes we receive on Ash Wednesday remind us of our mortality and symbolize the spirit of penance that marks the Lenten season. Ashes were commonly used in ancient religions (including Judaism) as an expression of sorrow. In the early Church, Jewish converts introduced a similar practice into the Christian liturgy. By being marked with ashes, a Catholic today is recognized by the community gathered as one who has chosen to repent of sin and believe in the Good News. A sign to be worn

**THE CROSS:** Is the cross you wear around your neck just an attractive piece of jewelry to you? Have you ever pondered the startling paradox of this symbol? After all, in Jesus' day the cross was an instrument of execution. Translated into modern terms, it's a bit like wearing a miniature electric chair around your neck! The repugnance of such an idea highlights the radical edge of the Gospel. Jesus' life led to suffering, loss, failure and even death. Yet it was precisely through such self-sacrifice that the resurrection was possible. As Christians we are called to life by walking the way of the cross. Not a religion for the faint-hearted! **PENANCE:** 'Penance' is not a terribly popular word these days. Yet the 'offering up' or denying ourselves of a simple desire (e.g. a favourite TV program, an extra dinner serving) is still a rich and fruitful practice embedded in our Catholic tradition. Far from being a negative thing, regular acts of penance strengthen our will-power, develop perseverance and free us from self-centredness. Just as an athlete prepares for a race with months of regular training, so does the practice of penance prepare a Christian for the 'tough' side of Gospel living; those days that require you to 'give your all' when you thought you had already.

**WHY DO WE PRAY THE ROSARY?** One might look upon the rosary as a precious heirloom passed down through generations of our faith family. Essentially, it is a simple, repetitive prayer by which we reflect on the life, death and glorification of Christ through the eyes and heart of his mother. According to a tradition that dates back to the 15th century, St Dominic founded the devotion to the rosary. Other evidence, however, suggests that it developed gradually, especially under the influence of the Cistercian and Dominican religious orders. The rosary is one way we can prayerfully contemplate the mysteries of our faith. **WHY DO WE HAVE STATIONS OF THE CROSS?** Have you ever made a journey retracing the steps of an ancestor? In the early Church a tradition developed whereby Christians would make a pilgrimage to Jerusalem, retracing the journey that Jesus took to Calvary. Visual representations depicting the Passion of Jesus were erected along the way. In memory of this sacred path, the stations were popularized in art and as a devotional practice, encouraged especially by the Franciscans. There are fourteen stations in our modern day devotion whereby people move from station to station, reflecting on the sacrifice Jesus made for us.

**SAFETY STATEMENT:** We are committed to a safe and nurturing culture for all children and vulnerable adults in our Church. Saint Luke the Evangelist Parish Blackburn South holds the care, safety, wellbeing of children and vulnerable adults as central and fundamental responsibilities of the Church. This commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the Gospel. <http://pol.org.au/blackburnsouth/Policies.aspx>
