THANK YOU

Thank you, parishioners, for your participation and service in celebrating our feast day, St Dominic, last weekend. It was successful in terms of participation, cooperation and enjoyment of both school and church. Most of us had to give up our familiar mass environments in order to reach out to see and realize other members of our parish community.

I find it an important community event for the parish because together we can grow in our understanding and appreciation of what it means to be of one community. Together we can draw strength from each other, and share our own challenges and/or struggles on our journey of faith.

But perhaps most of all it is a chance for all of us together as a parish community reflecting on what it means to be a community of Saint Dominic's church, with Jesus at the heart of everything.

Fr Peter Toan Nguyen OP

Hi! My name is Oliver Bajon and I am currently a Novice of the Dominicans residing at St. Dominic's Priory and I am very excited to take on this new ministry in my vocation as the Parish Youth Coordinator. I was born in Brisbane to Polish parents who migrated from Poland in 1986. From a very young age, I was involved with the church and I felt a longing to one day when I grow older to become a Catholic priest. I went through school feeling close to the Church being involved with altar-serving at my parish. After attending World Youth Day, at the end of 2016, I decided to apply to the Dominican Order and I was accepted. Being involved in altar-serving as well as working with my Youth Group in my parish church in Brisbane, I look forward to working with the Youth of St. Dominic's Parish and sharing our faith journey together as the future of the Church!

Br Oliver Bajon OP
