GOD HEALS THE BROKEN IN HEART

Our lives these days are governed by many calendars—the school or university calendar, the sporting calendar and the calendar of the seasons, to name but a few. The liturgical calendar—the Church's annual cycle of seasons and celebrations—has plenty of competition.

This part of Ordinary Time may struggle to stay on our radar. Not only is it sandwiched between the seasons of Christmas and Lent, but it is prone to being overshadowed by the end of summer holidays and the resumption of the school and working year.

To add to the challenge, today's combination of readings is rather awkward. Before we get to the appealing text of the gospel we listen to a lament from Job, pray a cheerful psalm, and hear some self-justifying bluster from Paul. In the circumstances what may strike us most is the commanding figure of Jesus, preaching and healing with impressive authority. Mark would be happy for us to see the power of God at work in this itinerant preacher.

Break Open The Word

Farewell with sadness but also affection for you all
from Fr Paul Rankin OP.

Thanks to all those who made me welcome - again - and supported me with friendly words during the last five months. I will remember St Dominic's parishioners with prayers each day. God bless you all.

Paul Rankin OP

ST DOMINIC'S IS A CHILD SAFE PARISH
