## "YOU ARE THE SALT OF THE EARTH... YOU ARE THE LIGHT OF THE WORLD"

Jesus told His followers they were the salt of the earth and the light of the world. Salt and light are two familiar domestic and essential elements of life. They are used as metaphors for the mission of his followers, how they should impact the world around them. When salt and light are kept in a situation isolated to other things, they remain themselves; they transform nothing around them.

"You are the salt of the earth..." Salt has many different uses. One of the main functions of salt is used to season food, to give it taste and flavour. It makes life enjoyable. The followers of Christ stand out as those who enhance the flavour of life in this world. Christians, living under the guidance of the Holy Spirit and in obedience to Christ, will inevitably influence the world for good, as salt has a positive influence on the flavour of the food it seasons.

Another function of salt is to preserve foods. Without refrigeration, salt is used to preserve foods, making them last significantly longer than they do when left unsalted. As the salt of the earth, we are called to preserve the faith which we have received and to pass it on intact to others. We are challenged in a special way to keep safe the deposit of faith.

"You are the light of the world..." Light gives joy and transforms the atmosphere of the place. A tiny pocket torch in a dark tunnel gives enough light to guide the path. When lost, seeing light from the other end of a tunnel means seeing life and hope. When the light fades or vanishes altogether, we no longer see things as they really are. In the middle of the dark night we can feel frightened and insecure, and we impatiently await the coming of the light of dawn.

Let it  
**Shine**

The good works of Christ's followers are to shine for all to see. The presence of light in darkness is something that is unmistakable. The presence of Christians in the world must be like a light in the darkness, not only in the sense that the truth of God's Word brings light to the darkened hearts of sinful person, but also in the sense that our good deeds must be evident for all to see.

(Mt:25: 35) For the last 6 years the **Welcoming the Stranger** committee at St Dominics has helped a number of families seeking asylum in Australia and at present is supporting a Pakistani family in Dandenong and helping a Sri Lankan family in Sunshine. We are again holding our annual special collection for food and other items at all the Masses in 2 weeks time (Feb 22/23) to be given to the **Brigidine Asylum Seeker Project**.
