### POPE FRANCIS TO YOUNG PEOPLE: VALUE THE SACRED LITURGY

The apostolic exhortation *Christus vivit* (Christ lives), which Pope Francis offered to the young people of the Church on April 2, includes a particular focus on the liturgy as a vehicle by which young people can discover God's will in their lives.

Signed on March 25 by Pope Francis, the letter serves as an afterword to the October 3-28 2018 Synod of Bishops on young people, faith, and vocational discernment.

In the letter, Pope Francis noted the value that young people place on silence in building a relationship with God.

"Many young people have come to appreciate silence and closeness to God", he said. "Groups that gather to adore the Blessed Sacrament or to pray with the Word of God have also increased. We should never underestimate the ability of young people to be open to contemplative prayer. We need only find the right ways and means to help them embark on this precious experience."

There is also an enthusiasm for the Liturgy, Pope Francis noted in the letter, that cannot be denied young people.

"When it comes to worship and prayer," he writes, quoting from the final report of the October Synod, "in many settings, young Catholics are asking for prayer opportunities and sacramental celebrations capable of speaking to their daily lives through a fresh, authentic and joyful liturgy. "It is important to make the most of the great moments of the Liturgical Year, particularly Holy Week, Pentecost and Christmas. But other festive occasions can provide a welcome break in their routine and help them experience the joy of faith."

In the letter, Pope Francis singled out the importance of song and music in the liturgy as an ever-ancient ever-new entrée for young people into the prayer of the Church.

"Music is particularly important," the pope writes, quoting the Synod's final report, "representing as it does a real environment in which the young are constantly immersed, as well as a culture and a language capable of arousing emotion and shaping identity. The language of music also represents a pastoral resource with a particular bearing on the Liturgy and its renewal."

**MEDITATION**

*Charity is the power by which we,  
who have been loved first by God,  
can give ourselves to God so as to be united with him  
and can accept our neighbour for God's sake  
as unconditionally and sincerely as we accept ourselves.*

Jesus places love above all laws, without however abolishing the latter. Therefore St Augustine rightly says, "Love, and do what you will." Which is not at all easy as it sounds. That is why charity, love, is the greatest virtue, the energy that inspires all the other virtues and fills them with divine life.

*The sacrament of the Anointing of the Sick  
can be received by any Catholic  
whose health is in a critical state.*

One can receive the Anointing of the Sick several times in one's life. Therefore it makes sense for young people to ask for this sacrament also, if, for example, they are about to undergo a serious operation. On such occasions many Catholics combine the Anointing of the Sick with a (general) confession; in case the operation fails, they want to go to meet God with a clear conscience.
