ST ANTHONY'S PARISH STEWARDSHIP MIDWAY REVIEW

It is now 18 months since St Anthony's Parish Stewardship Renewal (September 2018). Our Midway Review of Parish Stewardship enables us to look back on our Stewardship program, acknowledge our generous supporters, report on all that has been achieved, and present our Parish Finance Report 2019.

We will complete an update of our *parish census* this weekend and next February 22-23. Every parish needs to keep its database up to date with parishioner details, to help us maintain regular contact with all who share parish life. No information is passed on to any other body, including the Archdiocese of Melbourne or other Catholic organisations. Your privacy and security is protected. Census cards and pencils will be distributed and collected at all Masses.

St Anthony's Parish Stewardship *Midway Review* will be conducted on weekends February 29-March 1 and March 8-9. Current subscribers can affirm or change their pledge. New parishioners are invited to come on board, supporting St Anthony's with a new pledge. A commitment made by credit/debit is always welcome. The new series of envelopes commences weekend April 4-5.

CATHOLIC VOCATIONS

- 3 men commence studies for the priesthood for the Archdiocese of Melbourne at Corpus Christi Carlton today. We pray for: Nicolas Calandra, Tobias Dinh and Dominic Lawes. They join a community of 32 seminarians in Melbourne and Rome.

- The Australian Catholic Bishops Conference has developed a national website promoting the diocesan priesthood: diocesanpriest.com.au

- Catholic Vocations promotes a Triduum of prayer for vocations to the priesthood and religious life weekend 20-22 March. St Anthony's will dedicate Eucharistic Adoration on Saturday 21 March 9.45am as our part in the Melbourne wide Triduum.

St Anthony's Parish and the Archdiocese of Melbourne are committed to the care, wellbeing and protection of children, young people and vulnerable people in our community and to the safety, wellbeing and dignity of all children and vulnerable adults in Melbourne.

MEDITATION

To have a heart full of love means to be so pleased with something that one emerges from oneself and devotes oneself to it. A musician can devote himself to a masterpiece. A kindergarten teacher can be there wholeheartedly for her charges. In every friendship there is love. The most beautiful form of love on earth, however, is the love between man and woman, in which two people give themselves to each other forever. All human love is an image of divine love, in which all love is at home. Love is the inmost being of the Triune God. In God there is continual exchange and perpetual self-giving. Through the overflowing of divine love, we participate in the eternal love of God. The more a person loves, the more he resembles God. Love should influence the whole life of a person, but it is realised with particular depth and symbolism when man and woman love one another in marriage and become "one flesh". *YOUCAT n402*

This is fundamental to creating a safe place for people to share their stories without fear of judgement. Listening to other peoples stories helps you realise your problems are not unique and that you are not alone. Attending Al-Anon meetings is free of charge. A small voluntary contribution covers rent and refreshments
