**'The greatest spiritual joy': Pope
Francis' message for WYD 2023**

Preparations are underway for World Youth Day 2023. This time, the destination for the massive global event is Lisbon, Portugal, less than two hours from Fatima, the famous site of the Blessed Virgin Mary's apparition to three young children in 1917.

Mary is also the focus of this year's theme: 'Mary arose and went with haste' (Luke 1:39). In his message for World Youth Day 2023, Pope Francis encourages young people to look to Mary as a model of confidence in God's loving guidance, and to actively seek ways to be of service to God and others.

The greatest spiritual joy

Despite the startling news that she received from the angel Gabriel, Mary did not focus on her own anxiety or fears, Pope Francis says. Instead, she went straight to see her cousin, Elizabeth. 'She arises and sets out, for she is certain that God's plan is the best plan for her life,' he says.

In this way, Mary becomes a model for the evangelising Church. She show us how, having encountered Christ, we might go forth with haste to spread the Good News:

13th Sunday in Ordinary Time, Year A

“Ministry that costs nothing, accomplishes nothing”

1. Jesus knew that many more people would join in if sweet incentives were offered. But, Jesus did not sugarcoat his words. He did not promise his disciples a bed of roses.

2. Jesus knew that the path of godliness is filled with hardships, criticisms, and persecutions. Jesus never asked any of His followers to do something that he himself would not do.

3. Jesus did not hesitate to declare the full meaning of ‘carrying one’s own daily cross’ as a qualification to be his disciple.

4. Jesus understood the full implication of ‘self-sacrifice. He communicated it to his disciples that they had to fully identify themselves with a cause even to the point of giving up everything for the sake of their commitment.

5. Jesus wanted his followers to realize that the cross often would involve grief and pain in the same manner that he himself suffered.

6. Jesus wanted all of his disciples to be prepared to endure great trials, shame and disappointments for Jesus’ name’s sake, and be willing to be mistreated.

7. Jesus wants us to pray for those who persecute us rather than take revenge on them. He prayed, "Father, forgive them for they do not know what they are doing."

8. Jesus wanted his disciples to know that they will probably lose many of their family and friends while standing for God. More people reject Christ’s offer fearing loss of relations.

9. Jesus knew that taking up one’s cross would also involve great discomfort while others enjoyed comfortable lifestyles. The Lord wants his disciples to resist the temptation of comparing their hardships with the ease others may enjoy,

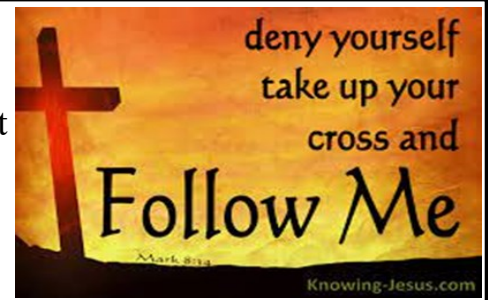

10. Jesus knew that taking up one’s cross might involve public shame, humiliation and embarrassment. Those who are willing to be Christ’s disciples have to develop thick skins.

11. Jesus knew that taking up one’s cross is something we never graduate from. God knew that disciples are expected to continue to progress in their ability to withstand hardships in greater identification with Christ the Lord.

12. Jesus knew that learning to take up one’s cross is best done in the context of seeking first God’s kingdom and his righteousness.

13. Jesus says that one can not effectively take up his cross without helping the church to grow in quantity and quality.

Prayer for Ukraine

O Lord our God, look down with mercy on the Ukrainian people.

Protect and save them from the unjust aggressors who seek to subdue them.

Give them strength and courage to defend what is good, right, and holy.

Keep them safe from harm and provide for all their needs, both temporal and spiritual.

Hear our prayers, and deliver them from distress and bring peace to the whole world,

for You are merciful and compassionate.

To You we give glory: the Father, the Son, and the Holy Spirit,

now and forever and ever. Amen.

How do you get a squirrel to like you?

Act like a nut.

Why should you always knock on a refrigerator door before opening it?

In case there’s a salad dressing.
