World Youth Day Reunion 31 July

Dust off your hoodies and bring out your photographs as we recall the World Youth Days in which we have been involved, especially 2008 in Melbourne and Sydney.

Starting with 11 am Mass and a shared lunch, we will travel to Brighton for a walk along the beach, recapturing the day we walked there with the World Youth Day Cross and Icon.

All welcome.

Plenary Council

Archbishop Peter Comensoli has written a letter to the faithful sharing some initial and personal thoughts on the Plenary Council. The faithful has been asked to read and reflect on two documents.

Firstly, the Decrees that set out all the motions that were passed with a two-thirds majority and can be found at:

www.bit.ly/PlenaryCouncilDecrees

This is the work that will be taken forward in the life of our local Church.

Secondly, the final summary statement from the Assembly of what occurred during the week.

This document can be found at:

www.bit.ly/PlenaryCouncilSummary

These two documents, as distinct from anything else contain the fruits of the second and final Assembly of the Fifth Plenary Council of the Catholic Church in Australia.

This will unfold over an extended period of time, commencing with the regathering of the Bishops of Australia in November this year to confirm what is to be presented to Pope Francis for his recognition and approval. Then begins the work of 'embodying' the fruits of the Council into the life of our local Church.

As St. Paul said to the Church in Rome:
'Just as we have many members in one body, and the members do not have the same function, so we, though many, form one body in Christ, each individually members one of another, having different gifts according to the grace given to us.'

(Romans 12:4-6).

OPEN PARISH MEETING

**Sat. 6 Aug. 2022 from 10.30am—12pm
at the PADUA PAVILION**

To discuss the formation of a
Parish Leadership Team or Similar

Dear parishioners,

All are invited to our Open Parish Meeting at the Padua Pavilion to discuss and plan as to how we can best help St Anthony's Parish going forward. I have asked Jacqui Giuliano from the Office for Mission Renewal from the Archdiocese Proclaim Office to help us. Jacqui will help us to think and pray about where we are as a Parish community, where we see ourselves in the future, and how we are going to move forward.

We will consider the five pillars of Christian life as found the in the Acts of the Apostles:
Worship, Evangelisation, Discipleship, Community and Service

We need doers, managers, reporters, representatives and dreamers to formulate and then execute a vision for the future.

The focus of Parish Leadership Team or Parish Pastoral Council is not the daily operations of the parish or parish administration; rather we are focused on the big picture: how we foster the pastoral life of our parish looking ahead in a strategic and long term way.

Everyone is welcome to attend this session. Even if you are a little bit curious, I warmly invite you to join us in this important meeting where we look to strengthen the future of our Parish as a visible sign of God's presence in our community.

Fr Leenus

On the Occasion of the
World Day of Prayer for
**Grandparents and
the Elderly**
the Parish of
St Anthony's, Glen Huntly
earnestly ask God
to continue to bless you
with good health,
true joy, love, peace
and long life.
May you always
experience God's
tender loving care;
and also that of your
family and friends.
Amen.

UPDATE: GENERAL LITURGICAL GUIDELINES

COVID-19 Implications for the Catholic Archdiocese of Melbourne Information Updated: 20 July 2022, 12.00pm

Face Coverings: The Chief Health Officer has strongly recommended the use of face coverings in indoor and crowd settings during this winter period (from July 2022 onwards).

Face coverings remain optional within Places of Worship. However, parishioners are encouraged to be sensitive to the well-being of others when in close proximity.

Clergy and Extraordinary Ministers are also strongly encouraged to wear face coverings for the distribution of communion. Face coverings should also be worn when visiting parishioners.

Face coverings are still required in sensitive settings such as hospitals and care facilities, and must be worn on public transport, taxis, ride shares, and planes – but will no longer be required at airports.

COVID-19 Diagnosis: It is an essential requirement to isolate for seven days following a COVID-19 diagnosis. Individuals must notify their workplace, in addition to informing their social contacts. Workplaces, however, are not required to individually identify and notify each potentially exposed worker/contact.

World Day of Grandparents and the Elderly

Dear grandparents and elderly persons, we are called to be artisans of the *revolution of tenderness* in our world! Let us do so by learning to make ever more frequent and better use of the most valuable instrument at our disposal and, indeed, the one best suited to our age: prayer. “Let us too become, as it were, poets of prayer: let us develop a taste for finding our own words, let us once again take up those taught by the word of God”.

Our trustful prayer can do a great deal: it can accompany the cry of pain of those who suffer, and it can help change hearts. We can be “the enduring ‘chorus’ of a great spiritual sanctuary, where prayers of supplication and songs of praise sustain the community that toils and struggles in the field of life”.

The World Day of Grandparents and the Elderly is an opportunity to proclaim once more, with joy, that the Church wants to celebrate together with all those whom the Lord – in the words of the Bible – has “filled with days”. Let us celebrate it together! I ask you to make this Day known in your parishes and communities; to seek out those elderly persons who feel most alone, at home or in residences where they live. Let us make sure that no one feels alone on this day. Expecting a visit can transform those days when we think we have nothing to look forward to; from an initial encounter, a new friendship can emerge. Visiting the elderly who live alone is a work of mercy in our time!

Let us ask Our Lady, Mother of Tender Love, to make all of us artisans of the *revolution of tenderness*, so that together we can set the world free from the specter of loneliness and the demon of war.

To all of you, and to your loved ones, I send my blessing and the assurance of my closeness and affection. And I ask you, please, not to forget to pray for me!
