Let us speak as the Holy Spirit gives us the grace to speak, humbly and devoutly imploring Him to infuse His grace so that we may fulfill the days of Pentecost with the perfection of the five senses and the observance of the ten commandments, that we may be filled with the strong wind of contrition, and become inflamed with the tongues of fire of confession. Thus inflamed and illuminated may we merit to see the one and Triune God among the splendors of the saints. May He who is God grant us these things Who is blessed from age to age. St Anthony of Padua

MEDITATION

Fifty days after his Resurrection, the Lord sent the Holy Spirit down from heaven upon his disciples. The age of the Church-began. On Pentecost the Holy Spirit transformed fearful apostles into courageous witness to Christ. In a very short time, thousands had themselves baptized: it was the birthday of the Church. The miracle of the languages on Pentecost shows that the Church is there for all peoples from the very beginning: She is universal (= the Latin term for the Greek kat' holon, catholic) and missionary. by all. She speaks to all men, overcomes ethnic and linguistic barriers, and can be understood by all. To this day the Holy Spirit is the "soul" of the Church, the essential principle of her life. *YOUCAT n.118*
