Parish Census—Sunday 19th May

Our Parish Census will take place over the next three weeks commencing Sunday 19 May.

We invite each member of our parish to participate in our census process by completing the census form which will be made available during Mass. This will enable us to register the number of our parish members and better understand the needs of our community. Data from this census will also enable the parish to strategically plan for important events, ministries, and other future endeavours.

Your privacy is essential and all information will be treated with confidentiality. Thank you

20th Anniversary of St Anthony's Church

May marks the 20th anniversary of the dedication of St Anthony's Church. We pray for openness of heart and to follow the example of our patron, whose relics are in the altar, under whose patronage our parish has been placed.

**“Parish Development Day”
Saturday 18th May 10am-3.30pm**

in the Padua Pavilion,
St Anthony’s School Hall, Glen Huntly.
(please use carpark entrance from Grange Rd)

(All parishioners from our parishes are invited)

At the recent Collaborative Council Meeting it was agreed that before moving further, a larger meeting should be held to identify a clear vision to be shared by the three parishes and to decide on the various ways in which we can all be part of realising it.

As we continue to talk about the future of the three parishes, it is important that all parishioners realise (know, acknowledge, are aware) that the growth of an active and committed community depends on each person’s contribution.

There are many ways in which we can be involved in parish life and many needs to be met. A Parish Council can only work effectively if it is built on the active involvement of its members, that is the parishioners.

So while we meet to set priorities and goals we, the parishioners, should consider how we can participate in the various Councils, Committees and Ministries which need to be developed.

The above-mentioned meeting is named “Parish Development Day” - a time for Setting our Vision and for Expression of Interest, Discernment and Reflection on our Ministries.

Draft Guidelines for Parish Pastoral Councils and Parish Finance Committees.

(See it on our church noticeboards, Printed copies are also available)

Studying the guidelines will be helpful as a preparation for the upcoming meeting.

Guidelines on other Committees can be developed locally.

(Refreshments and Light lunch will be provided)

It would be helpful if you could register by noting down your name on the Clipboard provided in church foyer.

6th Sunday of Easter, Year B

Love as I have loved you.

Dear brothers and sisters in Jesus,

In last weekend's Gospel Jesus had pleaded with us to remain in his love, just like branches to the vine. In this weekend's Gospel Jesus is commanding us to love as he loved us. I always thought love is something spontaneous, and love cannot be forced or commanded. But if Jesus did command us to love, it means that even if loving does not come spontaneously, we must make a genuine effort to do so.

Loving God and loving others is our duty. It is not a request or a suggestion from Jesus. He does not give us any other option, but orders us to love. Jesus is not asking us to like everyone, but to love everyone. Liking everyone may not be possible, but loving everyone should be possible or else Jesus would not have commanded us to love all.

Jesus has something more to ask of us than just loving others. Jesus added "Love one another as I have loved you". That seems much more impossible. How did Jesus love us, anyway? He loved us by dying a cruel death for us. 'That is again sounding much more than the original commandment that said "Love your neighbour as yourself". Jesus wants from us a total "selflessness", especially when it comes to loving God and others.

St Paul in his letter to the Corinthians said. "...now these three remain: faith, hope and love. But the greatest of these is love". (1 Cor. 13:13)

God loves you !
