WE BELIEVE IN THE
TRIUNE GOD

THE HOLY TRINITY

The central mystery of Faith that is revealed by God alone is the mystery of the Most Holy Trinity. (CCC 261).

Catholics believe that in one God there are three (3) divine Persons—the Father, the Son and the Holy Spirit.

The Trinity is One. We do not confess three Gods, but one God in three Persons. (CCC 253)

A short report on Parish Development Day, 18th May 2024

The meeting was facilitated by Jacqui who was assisted by Judeline, from the Archdiocesan Proclaim Team. Over 40 parishioners from our 3 parishes participated. Following a Power Point Presentation on various aspects of Parish Life the participants were encouraged to form small groups for discussion of what our Parish Vision could be. Across the groups, similar concepts were shared, including prayerful, welcoming, inclusive and willingness to serve the community. This was a day of discernment and reflection on our various ministries at the end of which expressions of interest were sought to join a Parish Pastoral Council and a Finance Committee for each Parish. We, the Parishes of Glen Huntly/Caulfield, Caulfield South and Elsternwick thank you Jacqui and Judeline and everyone who attended.

3 possible Vision Statements (derived from thoughts shared at Parish Development Day)

1. *Our parish is a family; welcoming and nurturing all generations. A place to grow in relationship with God, discover, use and celebrate our gifts and talents, so we can serve our parish and surrounding community.*
 2. *Our parish is a place of worship where all are welcome, valued and supported. We create a place where people can grow in faith, all gifts and talents are recognised, and we serve our community.*
 3. *Our parish is an inclusive family, where all are enabled to grow in our Christian faith, encouraged to reach out, and serve the needs of our community.*
- THANK YOU ALL*

Holy Trinity Sunday

Dear brothers and sisters in Jesus, It is quite natural that when anyone hears about our belief in One God- Three Persons he/she is bound to ask, ‘how is that?’ How is it that The Father and the Son and the Holy Spirit each of them is God yet there is only one God? We have no answer to the how of it. Our answer is “It is a mystery.”

Some of those people may accuse us saying that we call this doctrine a mystery because we want to cover up how illogical it is. While why we call this doctrine a mystery is because it exceeds our ability of our mind to understand it. In fact, there needs to be no surprise that the inner nature of God cannot be understood by our minds. Any reality that our minds can grasp or understand is by definition inferior to our minds. The Supreme God by definition has to be greater than our minds. Therefore it is fitting that the inner nature of God is greater than our created minds and it remains a mystery to us.

What we as Catholics believe is that these three are real Persons distinct from Each other yet inseparable. Each one is fully God yet only One God. And that all three are eternal having neither beginning nor end even though the Son proceeds from the Father. The Holy Spirit proceeds from the Father and the Son. All three are equal in majesty and power. And that from all eternity God is interpersonal—three persons in perfect union of will and activity, so perfect that they are truly One God, not three. (Who is the Holy Spirit....the Person who s because of the intense love between the Father and the Son.)

This Sunday is set apart as Holy Trinity Sunday is not so much in order to try to understand or grasp the how of it; rather it is to adore, glorify, praise and worship the holy mystery of three persons in One God.

So as we wonder at the Most Holy Trinity we have a reason to wonder at ourselves, too. We wonder at the fact that we are created in the image of the same Trinitarian God. Since we are created in the image of One God in Three Persons it tells us of the kind of people we should be. Though, we are many distinct persons, yet we are to live and function as if we are but one. Just as God does not exist in isolated individualism rather in a community of relationships, so too, we who are created in His image and likeness must shun every tendency to isolationism and individualism.

One weekend a man goes out fishing. The whole day he catches nothing at all. Feeling ashamed to return home empty handed, he goes to a fish-market, and makes a good choice of a big fish and pays for it. As the shopkeeper was about to hand him the fish, the man says ‘no, no, you just throw it to me and I will catch it’. Having done that he goes home happily and declares to his wife, ‘I caught the fish, I caught the fish’.
